“New Seeds of Contemplation”

Date: October 19th, 2019 - 10 AM to Noon

Presenter: Professor Ron Dart. - Fee: \$10.

This workshop will focus on Thomas

Merton's preeminent work which was first published in 1961. This book seeks to awaken the dormant inner depths of the spirit so long neglected by western people.

“I must learn therefore to let go of the familiar and the usual and consent to what is new and unknown to me. I must learn to ‘leave myself’ by yielding to the love of God.”

Thomas Merton

Enneagram Workshop

Dates: 4 Wednesdays: October 9, 16, 23, 30, 2019

Time: 6:30 - 8:30 PM

Presenter: Paula Howe

A four-week exploration of the spiritual personality types of the Enneagram. The Enneagram is a means to understand your own path to deepening your spiritual journey.

Enneagram of Personality is a model of the human psyche which is principally and taught as a typology of nine interconnected personality types. In business contexts it is generally used as a typology to gain insights into workplace interpersonal dynamics. In spirituality contexts it is more commonly presented as a path to higher states of being, essence, and enlightenment. Both contexts say it can aid in self awareness, self-understanding, and self-development.

Please note: Participants will be asked to complete an Enneagram test online (cost \$ 12) at <https://www.enneagraminstitute.com> before the workshop begins.
