Our Response to the Virus Concerns.

The board has set some policies to help minimize the possibility of contracting Covid 19 virus in our church setting. Please sit in every second pew so that there is distance between yourself and the person behind and in front. Also, we will avoid for the time being our usual hand shake after worship. For those wishing to go the next step of avoiding all public gatherings we will be live streaming our worship each week. There will be no gathering after the Worship Service. We will be more proactive about connecting with one another through other means, including phone calls, emails and social media. Phone your friends in the congregation to make sure they are doing okay.

Let us know if you are not well by phone 604-853-2591
Or email tmucabb@gmail.com

Details on how Livestream our services will be on our church web site.

Loonies and Twoonies for Lent

Lent is approaching soon and it is time for our Mission & Service Campaign: “Loonies & Twoonies for Lent”!
You are invited to pick up a film canister to fill with loonies and twoonies.

You may fill as many as you'd like!

The full containers can be returned on Palm Sunday or any Sunday following. Since we are a generous congregation, this campaign gives a real boost toward reaching our annual goal (which will be decided at the AGM)
The baskets with the canisters are at the back of the church

Let's make this the best campaign yet!
